

A highly durable and powerful high pressure washer. Built tough for Australian conditions and will perform a wide range of tasks large or small around the home.

It has a long-lasting brushless motor and offers a large range of operation with its 10m steel armed anti-kink hose. It is equipped with many invaluable features, when you need to work for longer periods of time; telescopic handle, sturdy wheels, long hose and one-hand operated hose reel as well as a rubber suspension to ensure lower noise. To increase performance, this Gerni comes with Click&Clean connectivity for a range of optional accessories.

This highly durable and powerful Gerni easily handles larger and frequent cleaning tasks. From gentle cleaning of more soft or sensitive surfaces to blasting away ingrained dirt.
